Tennis time will be a combination of outdoors and indoors on our air-conditioned tennis courts with MERV-13 air filters and Ion fans.

Champion's camp will utilize USTA 10 and under tennis balls and equipment to ensure that all players are able to successfully engage in the day's tennis skills focus, while yellow balls will be used when appropriate for each camper. Examples of USTA 10 and under tennis equipment are orange and green balls with a variety of tennis court sizes. All campers will leave being able to demonstrate correct stroke production and able to play their very own tennis match!

Along with tennis time, Champion's campers will participate in a selection of non-tennis activities that will give them time to develop important skills off the tennis court. We understand that variety during camp is important; however, with respect to indoor swimming, we will limit the number of children to eight (8).
